- Denise O'Brien, Educational and Clinical Registered Nurse from Michigan USA.
- Steve Watts, Anaesthetist and Chair of Day Care Anaesthesia Special Interest Group.

So much to see

The Sofitel Wentworth is one of Sydney's best hotels, conveniently located in the heart of Sydney's Central Business District, only minutes away from the Opera House, Circular Quay, The Rocks and Botanic Gardens and surrounded by world-class shopping, restaurants, nightclubs and museums.

Sydney's Kingsford Smith International and Domestic Airport is only 10 kilometres away.

DISTANCES TO/FROM THE HOTEL

- Bus stop 200 metres
- Trains 500 metres
- Ferry 500 metres
- Monorail 1 kilometres
- Light rail (Tram) 1.5 kilometres

General Information

The 6th Australasian Day Surgery Conference is to be held in Sydney, the internationally renowned city known for its magnificent harbourside.

This event will be a multi-disciplinary conference, suited to all involved in Day Surgery: Anaesthetists, Surgeons, Managers and Nurses.

There are a number of concurrent sessions to cater for your specific interests in lectures, panel discussions and workshops.

The meeting immediately precedes the National Scientific Congress of the Australian Society of Anaesthetists at the Sydney Convention and Exhibition Centre.

"Controversies and Emergencies in Day Surgery"

Scientific Programme

The Convenor of the Meeting is Glenda Rudkin, Adelaide Anaesthetist.

All Sessions and Workshops have been designed to suit Anaesthetists, Surgeons, Nurses and Day Surgery Managers.

Friday 17 September 2004

Two Plenary Sessions will be held, along with three concurrent sessions, which will include lectures and panel discussions.

Saturday 18 September 2004

A range of Day Surgery workshops to include: surviving stress, accreditation, managing adverse outcomes, airway management, basic and advanced life support, patient selection, patient discharge and nerve blocks for day surgery.
