

DAY SURGE

February 2006

Dear Colleagues,
Happy New Year to all our members!

This is just a short 'catch up' newsletter to start off the New Year. In your envelope you will find the first education flyer. The first education evening of the year will be at The SAN Day Surgery Hornsby, where Dr Colm Williams will speak on Cosmetic Surgery. So keep Monday the 13th February free. It will be a 6.30pm for 7pm start.

Coming up on the 8th of April we will be heading to Canberra day surgery for an education day on a variety of topics. So make sure you check the lamp and website for details.

I'd like to encourage everyone to consider joining the committee in order for the DSNA to continue we do need an active and strong committee. We are always looking for people with fresh ideas and also those who would just like to help all enquiries are welcome. The AGM will be later on in the year so I encourage all our members to consider how they can be of help next year. It's always good to start planning early.

Speaking of committee you will notice that we have created two new positions of Associate Committee members. The two members who have kindly offered their services are Christine Crooks who will be doing some publishing and Bebe Murphy who will assist us with Publicity.

Membership: We are always looking to encourage membership so if you know of a colleague interested in joining give them my contact details and I'll happily send them a form.

By this time of year everyone has slotted back into work mode so I hope you are all not working too hard?

So until next time keep safe!

Jacqueline Hurley
