

12<sup>th</sup> July 2010

Dear Member

I am writing to thank you for your support of the Day Surgery Nurses Association of SA (DSNASA) throughout 2010.

The committee has been excited to see an increase in our membership numbers and attendance at our education sessions this year. We have enclosed a copy of the ½ Day Seminar program brochure –titled ‘Day Surgery Down Under’. We hope to see you there on Saturday 4<sup>th</sup> September 0830 – 1300.

Our Annual General Meeting (AGM) will be held during the morning of the ½ Day Seminar and I would like to ask if you might consider nominating for the committee. The committee meetings are held once a month and in 2010 this was on a Monday night. Nomination forms have been included. Completed nomination forms can be sent to the treasurer with your membership renewal and/or your registration form for the ½ Day Seminar.

This year we have also developed ‘committee position descriptions’ for the various roles on the committee. This is to inform anyone considering becoming a committee member and to assist new committee members in their roles. These will be available on the DSNASA webpage – [www.adsna.info](http://www.adsna.info) click on SA on the map.

#### **DSNASA Constitution Review**

With the changes to National Nursing & Midwifery registration we have reviewed the DSNASA constitution. Proposed changes will be available on the DSNASA webpage - [www.adsna.info](http://www.adsna.info) . So we invite you to review the proposed changes prior to the AGM where members will vote to accept/reject the proposed changes.

And finally, please feel free to invite any of your colleagues to become members of DSNASA. Also, let them know that they are welcome at any of our education sessions.

Yours sincerely,

Angie Tomlin  
President  
DSNASA
