Christmas in July

Following a very successful **Members' Meet Education Session** at **Cranbourne Integrated Care Centre** and at **East Melbourne Specialist Day Hospital**, we are thrilled to be able to invite you to "**Christmas in July**". We are holding it at the **ANF Conference Centre** to ensure as many members as possible can join us for this midyear celebration. We have organized a forum with topics that are relevant to all members. However, for catering purposes, RSVP by July 20th is essential.

Membership Renewal

You will notice that we have included an invoice for your membership renewal and a membership form for 2011-2012. Due to updating of our database and moving into 2012 we are requiring more information from our members. Invoices have been sent at the **full Non ANF member rate**. However, there is a **discount for ANF members** so you are able to pay the discounted amount if you provide the number on the application form and we will update your details and receipt accordingly. If paying by direct debit please fax or send the application form so that information can be entered. Where possible, we would like to email your receipt so please provide your preferred email address on the membership form. We appreciate your support with this new phase of DSSIG administration.
