

**DSSIG Newsletter**  
**June 2005**

Hello everyone, and welcome to another update newsletter.

The website. [www.adsna.info](http://www.adsna.info) has been updated with a report from the conference in Spain. Many of our committee and members attended and presented at the conference. There will be a more comprehensive report with more photos in the journal which is due in July.

Wendy Adams (with her ADSNA President hat on) has just returned from Brisbane where she was involved in the selection panel for the conference organiser for the International conference that will be hosted by Australia in 2009. She is very excited about what Australia will be able to offer the rest of the world and encourages us all to hang in there as day surgery nurses & be part of an amazing event!!

Our conference is almost here and so is the end of the financial year. We would like to remind you that if you send your registration and membership form in before June 30<sup>th</sup>, you will be able to claim it on this year's tax!!

For your convenience, we have included another registration form for you or your colleagues at work.

Once again, we are overwhelmed with the number of trade who are willing to support us. This is certainly an indication of how highly we, as day surgery nurses are regarded.

As the shortest day of the year passes, we hope this finds you all well and looking forward to seeing you at the Conference.

Priscilla Guy  
President, DSSIG Victoria.
