### ***Newsletter - January/February 2008***

Welcome Back to the New Year for the Day Surgery Special Interest Group. I hope this newsletter finds you safe and well and that you were able to enjoy time with family and friends over the Christmas/New Year period.

2008 is shaping up to be another busy and exciting year for DSSIG. You will have received the 2008 calendar with this newsletter and you can see we have a varied program, with Twilight Meetings and Combined Groups Seminars throughout the year. As usual we have varied the venues and locations to try and allow as many of you to attend as possible. We have produced our new look calendar so it can be pinned proudly on the notice board at home as well as work so we encourage you to do so.

We have changed the venue for our executive meetings to the ANF Conference and Education Centre in the city so that we can have committee members from all around Melbourne. I am pleased to announce that **Margaret Bolhak** from **The Alfred Centre** and **Chris Guidotti** from **Western Day Surgery** have joined our committee. There are a couple more members who are seriously thinking of joining as well so I look forward to introducing them to you in the next Newsletter. Names and contact details of all our committee members can be located on the Victorian page of the ADSNA website, [www.adsna.info](http://www.adsna.info)

The committee will be meeting in February to begin planning all our events. Look out for the brochure for our **Combined Groups Metro meeting on March 15<sup>th</sup>** with all the details in your mailboxes shortly. Alternatively, log on to the Victorian page of the ADSNA website, [www.adsna.info](http://www.adsna.info) for further information.

I look forward to continuing to meet you all at our meetings through out the year. Please come along, enjoy and continue to introduce yourselves.
