April, 2008 Newsletter

We are very excited about our first Twilight Education session for 2008 which is being held at the Alfred Centre. The Nurse Unit Manager, Bernadette Comitti will be speaking about the "Model of Care" at the Alfred Centre and there will be the chance to tour this State of the Art centre.

CNE points have been allocated to this session. However, if you wish to have a certificate available on the day, you will need to RSVP so we can have it printed and ready for you at registration.

Our **Combined Groups Metro meeting on March 15th** was very successful with very positive responses for the panel of DSSIG members speaking about discharge criteria. Daniel Gilbertson, the speaker re DVT was also very popular and we are very grateful that we can put his presentation on the Victorian page of the website, www.adsna.info for your information.

I am pleased to announce that **Kate Black** from **Cabrini, Malvern DPC** has joined our committee. This gives us a fabulous team to be able to continue to organize our **11th Annual State Conference** being held at **The Hilton on the Park, Melbourne** on **Saturday July 19th**. We are finalizing our program before we go to print with our brochure. Once again, our trade support is fabulous and we have over 15 trade confirmed to date already.

I hope to see you at the Twilight Education Session. Don't forget to RSVP and please do not hesitate to contact me if you require further information.

A handwritten signature in cursive script that reads 'Wendy Adams'.
