21st April, 2010

Trade Company

Dear Colleague

The ***Day Surgery Special Interest Group*** (DSSIG) has scheduled our annual conference at ***Flemington Race Course on Saturday 17<sup>th</sup> July 2010.***

This is our 13<sup>th</sup> state conference and our membership numbers continue to increase with delegate numbers at last years' annual conference exceeding 300. Because of this we have simply outgrown previous venues.

Our delegates predominantly come from Tasmania and Victoria as this is a State Conference and include Day Surgery Managers, Chief Executive Officers, Nurses from all disciplines of Day Surgery (Scrub/Scout, Anaesthetics, Recovery Room, and Pre-admission), Anaesthetists with a particular interest in Day Surgery and Owners. This is a magnificent forum for both education and networking.

We will be promoting companies in a Clinical Products Expo/Trade Display environment as in the past many companies have indicated to us that this is the single best way to meet and conduct business with the membership of the peak group working in Day Surgeries across the state.

We would therefore like to warmly invite your company to present and showcase your products in the Expo/Display Hall. I have enclosed information on prices, stall set up with the option of back boards and power outlets, storage facilities at Flemington Race Course and optional extras which will give you maximum exposure, both prior to and on the day. Including, but not limited to satchels, satchel inserts, exposure of your company logo on flyers, on the main screen between presentations during the conference and in the conference brochure. For those who have been with us in previous years you will note that we have changed our trade fee structure to reflect your company's level of commitment. Please send your form back by fax or email at which point we will raise an invoice and provide you with further information about the event. All payments will need to be made prior to the event.

Please feel free to visit our web page, you can find us when you log onto the Victoria page at <http://www.adsna.info>. Alternatively you can contact me by telephone on 0421 859885 email on [dssigconferencetrade@adsna.info](mailto:dssigconferencetrade@adsna.info)

I look forward to working with you,

Yours sincerely,

*Kate Banner. R.N, D.N.C (Oxford), Post Grad Dip / Peri-op (Melbourne Uni).*
